B. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Out of these contacts may come questions concerning the actions of the members of the Police Department. These questions may require investigations by Superior Officers. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted.

In the event that the City incurs a budget deficit due to a reduction of State aid (Transitional Funding) or other economic conditions, and layoffs must be instituted, the cost cutting including the reduction of staffing will be equally assigned across all City departments. In the event that the City is able to save money in the police department through attrition, shared services agreements and other means not listed in the above mentioned Side-Bar Agreement, the City agrees to credit those savings to the police department towards the budget deficit.

ARTICLE I

RECOGNITION

The City recognizes the Association for the purpose of collective negotiations as the exclusive representative of all sworn superior officers of the Police Department in the following categories: Sergeant, Detective Sergeant, Lieutenant, Detective lieutenant, Captain, Detective Captain, and Police Inspector.

ARTICLE II

MANAGEMENT RIGHTS

A. The City hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. The executive management and administrative control of the City Government and its properties and facilities, and the activities of its employees;
2. To hire all employees and subject to the provisions of law, to determine their qualifications and conditions for continued employment or assignment and to promote and transfer employees;

3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.

B. The exercise of the foregoing powers, rights, authority, duties or responsibilities of the City, the adoption of policies, rules, regulations and practices and furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States and ordinances of the City of Asbury Park. Additionally, such powers of the City shall be limited by the Statutes of New Jersey governing public employee relations (PERC) and any amendments thereto enacted during the term of this Agreement.

C. Nothing contained herein shall be construed to deny or restrict to any member or the City such rights as he/she or it may have under New Jersey Statutes or other applicable laws and regulations. The rights granted to the members hereunder shall in all cases be deemed to be in addition to those provided for elsewhere, providing that the same shall not supersede this Agreement where inconsistent therewith.

ARTICLE III

GRIEVANCE PROCEDURE

A. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of an employee having a grievance to discuss this matter informally with any appropriate member of the departmental supervisory staff and having the grievance adjusted without the intervention of the Association.

B. DEFINITION

1. The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement and may be raised by an individual, the Association or the City.

2. All Superior Officers covered by this agreement may also utilize this grievance procedure to appeal minor discipline. Minor discipline is hereinafter defined as five (5) days of suspension or the equivalent fine, or any lesser penalty.

C. STEPS OF THE GRIEVANCE PROCEDURE

The following constitutes the sole and exclusive method for resolving the grievances between the parties covered by this Agreement, with the exception of City initiated grievances which will proceed in accordance with Section D and shall be followed in its entirety unless any step is waived by mutual consent.

STEP ONE

The aggrieved shall institute action under the provisions hereof within thirteen (13) calendar days after the event giving rise to the grievance has occurred or within thirteen (13) days after the discovery of the incident by the individual, Association or City, and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor for the purpose of resolving the matter informally. Failure to act except for good cause within the said thirteen (13) calendar days shall be deemed to constitute an abandonment of the grievance. The aforementioned thirteen (13) calendar days limitation may be extended upon presentation to the Chief of Police or the City Manager of a physician's certificate attesting to the incapacity of the grievant to file within the prescribed time. The Chief of Police or the City Manager shall render a decision within thirteen (13) days after the receipt of the grievance.

STEP TWO

If the grievance is not settled at the first step, the grievant may make written request for a Second Step meeting within thirteen (13) calendar days after the answer at the First Step, except that in disciplinary action grievances, the written request for a Second Step meeting shall be made within five (5) calendar days after the answer is received at the First Step. The Chief of Police or the City Manager shall set a meeting within five (5) calendar days after the request, or for such other time as is mutually agreeable. Said Second Step meeting shall be between the City Manager and Chief of Police with the Association representative and the Association attorney, if requested by the grievant. The City Manager's answer to the Second Step shall be delivered to the Association within thirteen (13) calendar days after the meeting.

STEP THREE

In the event the grievance is not resolved to the satisfaction of any of the parties herein referred to, it shall be taken to binding arbitration in the following manner:

Within thirteen (13) calendar days after the letter is sent under Step Two, the individual grievant, the Association or the City may request the New Jersey State Board of Mediation to appoint an arbitrator, who shall have full power to resolve the dispute between the parties, and his/her decision shall be final and binding on all parties. The cost of the arbitration shall be borne by the City and the Association equally. The Arbitrator shall have no right to vary or modify the terms of this Agreement and shall render his/her decision within thirty (30) days of the close of the hearing.

D. CITY GRIEVANCES

Grievances initiated by the City shall be filed directly with the Association within thirteen (13) calendar days after the event giving rise to the grievance has occurred. A meeting shall be held within thirteen (13) calendar days after the filing of the grievance between a representative of the City Manager, Chief of Police, the Association and its attorney in an earnest effort to adjust the differences between the parties, and in the event the grievance is not resolved to the satisfaction of the grievant, it shall be taken to binding arbitration in the following manner:

Within thirteen (13) calendar days after the non-resolution of the said grievance by the City, the City may request the New Jersey Public Employment Relations Commission to appoint an arbitrator, who shall have full power to resolve the dispute between the parties, and his decision shall be final and binding on all parties. The cost of arbitration shall be borne by the City and the Association equally. The Arbitrator shall have no right to vary or modify the terms of this Agreement and shall render his/her decision within thirty (30) days of the close of hearing.

Any unused vacation may, with the approval of the Chief of Police, or his/her designee, be carried forward into the next succeeding year only. B. Terminating or retiring employees shall be granted personal leave on a pro rated basis of one (1) day for four (4) months of service.

C. Personal leave shall not be carried into the next year, unless personal days during the year earned are denied by management when a request is made to take such personal leave.

ARTICLE IX

INJURY LEAVE

A. Whenever a permanent sworn Superior Officer is incapacitated from duty because of a physical injury sustained in the performance of his/her duty, he/she may receive his/her salary for a period not to exceed one (1) calendar year (12 consecutive months) from the date of the onset of the injury. Said salary payments shall include, and not in addition to, any entitlement of the employee to a portion of his/her salary as benefits for temporary disability due under the Worker's Compensation Law.

An employee's medical condition shall be reviewed at least every four (4) months to determine if he/she is eligible to be continued on injury leave.

B. Injury leave may be granted only for an injury found to be approved and accepted as a compensable work-related injury which arose during and out of the course of employment. The use of injury leave is dependent upon a prior determination of compensability by the City's insurance administrators based upon the reports of authorized physicians. (See Subsection F).

C. In order to receive payment under this Article, an injured employee must, as soon as practicable after a physical injury has occurred, file a written report concerning such injury with his/her immediate supervisor, and failure to do so shall render the employee ineligible for benefits/salary under this Article. Except in emergency situations, said report must be filed before the end of the employee's shift during which said injury occurred.

D. Entitlement to injury leave must be based upon the certification of an authorized physician (See Subsection F) as to the employee's disability. The time within the one (1) year period wherein the employee receives injury leave and is not permitted, or is unable, by reason of certification by authorized physician as designated by the City's insurance administrator, to perform his/her full duties as shall be directed by the Chief of Police, or his designee, resulting from said physical injury, shall not be charged against sick leave of the said employee.

E. Injury leave under this provision may be granted for up to one (1) calendar year from the initial date of injury; provided, however, that an employee's entitlement to injury leave will cease and terminate as of the approved effective date of the employee's retirement due to disability as determined by the Division of Pensions, if the retirement determination precedes the expiration of the one (1) year injury leave entitlement.

F. Entitlement under this Article will be based upon the medical evaluations submitted by the authorized physician designated by the City's insurance administrator. An employee who disagrees with the medical evaluation submitted by the authorized physician may submit a written request for a second opinion and supplemental medical evaluation. If the second opinion disagrees with the employee's personal doctor and the City's doctor as to whether the employee is entitled to injury leave, the dispute shall be submitted to a third doctor who shall be selected as outlined in Section G.

G. Any employee required by the City, or the City's insurance carrier/administrator, to be examined or treated by a physician other than one of his/her choosing, shall be compensated with compensatory time off for the time spent in the physician's office for such examination or treatment at the straight time rate of pay, provided he/she is not on injury leave with pay. In addition to said compensation, the employee shall also receive traveling expenses at the rate of seventeen (17¢) cents per mile, plus parking and tolls. In the event an employee is required to be examined by the City's authorized physician in order to determine whether the employee is capable of returning to work, the City's authorized physician must certify in writing to the City, with a copy to the employee's doctor, if requested, that the employee is capable of returning to work. If the employee's personal doctor and the City's doctor disagree as to whether the employee is capable of returning to work, the dispute will be submitted to a third doctor selected as follows:

The Association and the City shall each compile a list of three (3) doctors from which the Association and the City shall mutually select a single physician within three (3) days from the time that a dispute arises between the employee's and the City's doctor. The determination of the third doctor regarding the employee's ability to return to work shall be in writing and be final and binding. Until the final decision is received from the third impartial doctor, the employee will not be ordered to return to work.

ARTICLE X

Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness or accident. Employee's sick leave shall not be used to allow the employee to serve as a nurse or housekeeper during extended periods of illness for any immediate member of his/her family. In the event of illness in the immediate family, a maximum of three (3) days will be considered to be permitted to be used from the said employee's sick leave while other arrangements are made for family coverage.

Effective January 1, 2014, the yearly credited sick leave shall be reduced from sixteen (16) days to fifteen (15) days.

D. REPORTING OF ABSENCE ON SICK LEAVE

1. If an employee is absent for reasons that entitle him/her to sick leave, his/her supervisor shall be notified promptly as of the employee's usual reporting time, except in those work situations where notice must be made prior to the employee's starting time.

(a) Failure to so notify his/her supervisor may be cause for denial of the use of sick leave for that absence and constitute cause for disciplinary action.

(b) Absence without notice for five (5) consecutive days shall constitute a resignation.

E. VERIFICATION OF SICK LEAVE

1. An employee who shall be absent on sick leave for five (5) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness, and physician's certification that said employee is able to return to full duty.

(a) An employee who has been absent on sick leave for periods totaling ten (10) days in one (1) calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year, unless such illness is of a chronic or recurring nature, requiring recurring absences of one (1) day or less, in which case only one (1) certificate shall be necessary for a period of six (6) months.

(b) The City may require proof of illness of an employee on sick leave whenever such requirement appears reasonable and warranted under the circumstances. Abuse of sick leave shall be cause for disciplinary action.

2. In case of leave of absence due to exposure to contagious disease, a certificate from the Department of Health shall be required.

3. The City may require an employee who has been absent because of personal illness, as a condition of his/her return to duty, to be examined at the expense of the City by a physician designated by the City. Such examination shall establish whether the employee is capable of performing his /her normal duties and, in addition thereto, that his/her return will not jeopardize the health of the other employees.

F. Any employee using no sick leave in any calendar year shall be entitled to an additional four (4) vacation days. The employee may elect to receive pay for up to four (4) vacation days and have their sick leave balance reduced by four (4) days.

Only Superior Officers with less than 20 years service shall be eligible for earning additional vacation time as related to using no sick days in a calendar year.
